MINUTE ENTRY

The Court has considered the State's January 10, 2006 Motion for Alternative Service (the "Motion") in this matter.

IT IS ORDERED that the Motion is denied without prejudice.

No affidavit substantiating the contentions made in the State's Motion appears in the Court's file. However, even assuming the State's allegations were supported in an appropriate manner, it does not appear appropriate to permit alternative service at the indicated address. The State's information that Respondent resides at that address is either several months old or of unknown age. It appears likely, based on the information asserted in the Motion, that Respondent no longer resides at the address.

All parties representing themselves must keep the Court updated with address changes. A form may be downloaded at: <http://www.superiorcourt.maricopa.gov/ssc/sschome.html>.
